- Support Us

# Season Schedule

Pre-season	Oct to Dec	
Kickoff	Saturday, Jan 7	
Build Season	Jan to Feb	
Competition Season	March - May	
Confirmed Regional Event	Mar 1 to Mar 4	Duluth, MN
Unconfirmed Events	Mar 22 to Mar 29	LaCrosse, WI
	Mar 29 to Apr 1	Mpls, MN
Championship (if qualify)	Apr 18 to Apr 23	Houston, TX
State Tournament	May 13	Mpls, MN

# Registration

Step 1: Team Registration & Email Communication

Step 2: MyPaymentsPlus Registration

Step 3: FIRST Registration

**We will walk through this together!**

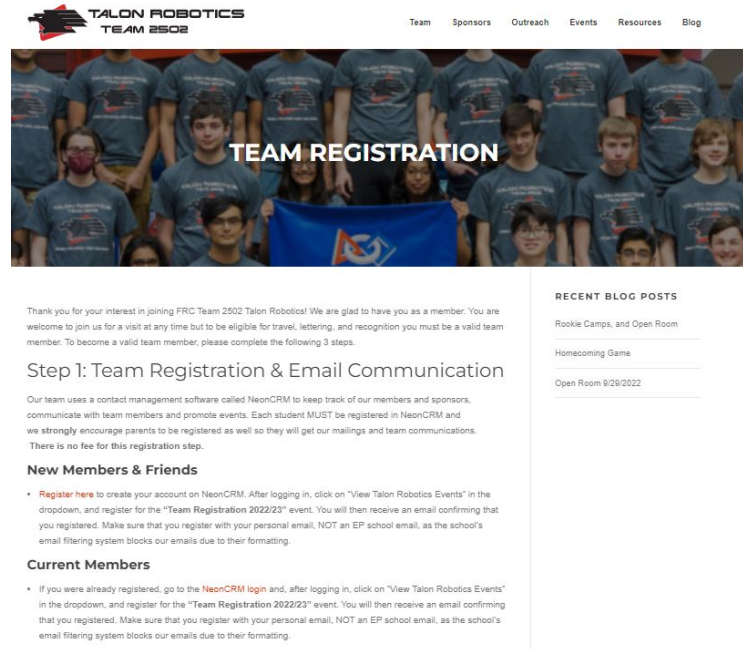

# Step 1: Team Registration

This is for the team: NeonCRM and will result in weekly team emails.

Easiest way to start is the website:  
team2502.com

Select Resources and Team  
Registration

Then click the red highlight  
depending on if you have done this  
step before.

The screenshot shows the website for Talon Robotics Team 2502. The header includes the team logo and navigation links: Team, Sponsors, Outreach, Events, Resources, and Blog. The main content area features a large photo of the team in blue t-shirts with the text "TEAM REGISTRATION" overlaid. Below the photo, there is a welcome message, a section for "Step 1: Team Registration & Email Communication" with instructions, a "New Members & Friends" section with a registration link, and a "Current Members" section with instructions for existing members. A sidebar on the right lists "RECENT BLOG POSTS" including "Rookie Camps and Open Room", "Homecoming Game", and "Open Room 9/29/2022".

TEAM REGISTRATION

Thank you for your interest in joining FRC Team 2502 Talon Robotics! We are glad to have you as a member. You are welcome to join us for a visit at any time but to be eligible for travel, lettering, and recognition you must be a valid team member. To become a valid team member, please complete the following 3 steps.

### Step 1: Team Registration & Email Communication

Our team uses a contact management software called NeonCRM to keep track of our members and sponsors, communicate with team members and promote events. Each student **MUST** be registered in NeonCRM and we strongly encourage parents to be registered as well so they will get our mailings and team communications. There is no fee for this registration step.

#### New Members & Friends

- Register [here](#) to create your account on NeonCRM. After logging in, click on "View Talon Robotics Events" in the dropdown, and register for the "Team Registration 2022/23" event. You will then receive an email confirming that you registered. Make sure that you register with your personal email, NOT an EP school email, as the school's email filtering system blocks our emails due to their formatting.

#### Current Members

- If you were already registered, go to the [NeonCRM login](#) and, after logging in, click on "View Talon Robotics Events" in the dropdown, and register for the "Team Registration 2022/23" event. You will then receive an email confirming that you registered. Make sure that you register with your personal email, NOT an EP school email, as the school's email filtering system blocks our emails due to their formatting.
